We will hike in light rain, but will reschedule if heavy rain or dangerous weather is forecast. So, yes, we will be hiking under 2 interstates and under one US Highway (13), and we will hike real close to I-95 at one point, but we will also cross the awesomely cool new foot bridge over the Christina River, and spend at least a third of our time in some lovely tidal marsh land (take notice, you birders) . 234	Fran Gulino	Advocacy/Evaluation from a PA licensed Speech Language Pathologist - I am a certified and licensed SLP in the state of Pennsylvania. I am donating my time to do one of the following: To review one evaluation/reevaluation report and explain it in great detail. Has someone you know or love recently been evaluated by a school psychologist or speech therapist? I can help you to decipher the report and translate it into plain English. I can help you to understand the ramifications of the report or ensuing intervention as well. Or, to evaluate the speech and language of one person. Warning: I am licensed in PA so my assessments may not be accepted by DE school districts. Testing can give lots of information about a person's skills that can be used to help with interventions.		\$20.00
